Creating Your Employer Account

Please complete the employee registration by following the steps shown on the platform. If you need to register several employees, **the best option is to create one business account** using your official company email, which allows you to pay quickly with your **company card, Apple Pay, or Google Pay** and ensures that **all invoices are delivered directly to your company email** with correct billing details. When creating your account, enter your full company information, including your company address, and during payment you will be asked for your **company name, company address**, and any required billing details, which will be added automatically to the invoice. After the payment is completed, the **invoice will appear instantly in your account** and you will also receive a **payment confirmation email**.

Employees emails

Employees can be registered using either their personal email addresses or company email addresses created by you. Both options work perfectly on our platform, so you can choose whichever is more convenient for your organisation.

Purchasing Courses

We recommend purchasing the courses first, so you can assign them instantly to your employees whenever needed. The courses never expire, so you can use them at any time.

Bulk Purchase Discount

Save more when you buy more 🎉 **get 10% off** when you add **10 or more courses** to your cart, **and 20% off** when you **add 50 or more**, with the system **automatically** applying the correct discount in your cart based on the number of courses added.

The screenshot shows a 'Review Your Order' page with a progress bar at the top indicating three steps: 1. Cart, 2. Review (current), and 3. Payment. Below the progress bar, there is a section for 'Your Courses' with a '10 Courses' badge. The first course listed is 'Abrasive Wheels', which is online and includes a certificate. The price is shown as €64 crossed out and €30 PER PERSON. A quantity selector is set to 10, highlighted with a red box. Below this is the 'Order Summary' section. It features two green notification boxes: '10% Volume Discount Applied!' with a note to 'Add 50+ courses to unlock 20% off automatically', and 'Bulk Discount (10% off) Applied!' with a value of -€30. The subtotal is €300, and the total is €270.00. A 'Continue to Payment' button is at the bottom, along with a security note: 'Protected checkout with advanced encryption'. Two red arrows point to the discount notification boxes.

Registering Employees

To register an employee, navigate to the **'For Employers'** section on bar menu on our website, then click on **'Register your employee'**

Fill in the form with your employee's details and make sure the email is correct. They will receive an email with their **login details** and a password they can change at any time.

To avoid any issues, please make sure you enter your employee's **correct full name** and **email address** and that you assign the right course to the right person. Once a course is sent, it cannot be changed or reassigned.

The screenshot displays the 'IRISH ABRASIVE WHEELS' website interface. On the left is a dark blue sidebar menu with options: Home, Profile, My Courses, For Employers (highlighted with a red arrow and number 1), Employer Dashboard, Register employee (highlighted with a red arrow and number 2), Instructions, Invoices, Certificates, and Help us improve. At the bottom of the sidebar are logos for MasterCard and VISA. The main content area has a light blue background. At the top right, it shows a user profile for 'John Connor'. The central focus is a white box titled 'Register your employees' with the instruction: 'Fill in the details below and click "Add Employee". We'll email the login credentials instantly.' Below this are two input fields: 'EMPLOYEE'S FULL NAME' with a placeholder 'First Name Last Name' (indicated by a red arrow and number 3) and 'EMPLOYEE'S EMAIL ADDRESS' with a placeholder 'name@example.com' (indicated by a red arrow and number 4). A blue 'Add Employee' button is at the bottom of the form. Below the form is an 'Information' section with three numbered steps: 1. After registering all employees, you can access the **Employer Dashboard** from the menu bar at any time to review all your submitted registrations. 2. To send courses to employees for study, open the **My Courses** page from the menu bar and click **Send Course**. A list of all registered employees will appear. 3. If your employee cannot find the login email, even after checking **inbox** and **spam**, there is no need to worry - the account is already active. Ask them to open the **Login page**, click **Reset Password**, and enter their registered email to get a new link in a few seconds. Please make sure the **email address** and **full name** were added correctly, since these details can't be edited later. If either was entered incorrectly, the only fix is to delete the account and create a new one with the correct details. Thank you for always taking a moment to double-check the details you enter. A yellow chat icon with a red notification bubble is in the bottom right corner.

Course Allocation and Access

Once you finish the registration and purchase the required courses, you can start **assigning them to your employees**. They can **log in with the details sent to their email** and begin training anytime. If they cannot find the email, they should **check their spam folder** or use **Forgot Password** to reset their login. Every time you assign a course, **our system sends your employee an email** informing them that a new course was added to their account and is **ready to study**.

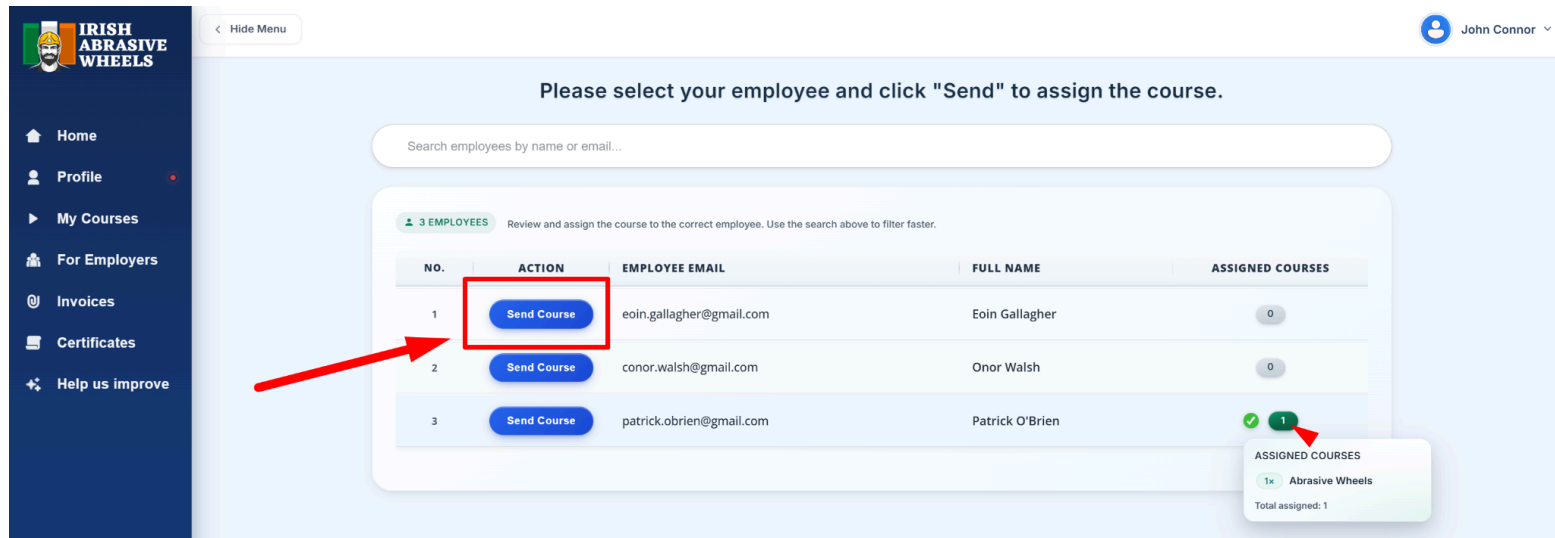

The screenshot shows the 'MY COURSES' section of the Irish Abrasive Wheels website. The page title is 'Abrasive Wheels Courses' with a subtitle 'Track your progress, continue learning, and download certificates for completed courses.' The user is identified as 'John Connor'. A table lists five courses, all titled 'Abrasive Wheels', each with a 'Purchased' status and 'Send' and 'Start' buttons. A sidebar on the left contains navigation options: Home, Profile, My Courses (highlighted with a red arrow labeled '1'), For Employers, Invoices, Certificates, and Help us improve. A 'Send' button in the 'ACTIONS' column of the first row is highlighted with a red arrow labeled '2'. A 'Total courses: 5' indicator is visible in the top right of the table area.

1	Abrasive Wheels	Purchased	Send Start
2	Abrasive Wheels	Purchased	Send Start
3	Abrasive Wheels	Purchased	Send Start
4	Abrasive Wheels	Purchased	Send Start
5	Abrasive Wheels	Purchased	Send Start

IMPORTANT: Please do not click any Start Course button unless you plan to take the course yourself. Once you open it, the course activates on your account and cannot be assigned to an employee. After a course is assigned to an employee, it cannot be reversed or moved. Each course can be sent only once and becomes permanently linked to the chosen student.

Our platform is easy to use, well organised, and accessible to all 😊

After selecting your course and clicking "**Send Course**" a list of your registered employees will appear.

The screenshot shows the user interface of the 'IRISH ABRASIVE WHEELS' platform. On the left is a dark blue sidebar menu with options: Home, Profile, My Courses, For Employers, Invoices, Certificates, and Help us improve. The main content area has a light blue header with a 'Hide Menu' button and a user profile for 'John Connor'. Below the header, a message reads: 'Please select your employee and click "Send" to assign the course.' A search bar is provided with the placeholder text 'Search employees by name or email...'. Below the search bar, a table lists 3 employees. The first row is highlighted, and a red box is drawn around the 'Send Course' button in the 'ACTION' column. A red arrow points to this button. The table has columns for 'NO.', 'ACTION', 'EMPLOYEE EMAIL', 'FULL NAME', and 'ASSIGNED COURSES'. The 'ASSIGNED COURSES' column shows '0' for the first two employees and '1' for the third, with a green checkmark and a red arrow pointing to the '1'. A tooltip for the third employee shows 'ASSIGNED COURSES' with '1x Abrasive Wheels' and 'Total assigned: 1'.

NO.	ACTION	EMPLOYEE EMAIL	FULL NAME	ASSIGNED COURSES
1	Send Course	eoin.gallagher@gmail.com	Eoin Gallagher	0
2	Send Course	conor.walsh@gmail.com	Onor Walsh	0
3	Send Course	patrick.obrien@gmail.com	Patrick O'Brien	1

Clicking **Send Course** assigns the course to your employee. They will receive an email with the course details and a button to begin. You can also check their assigned courses anytime by **hovering** your **cursor** over the number. The system will automatically show how many courses they have and which ones are assigned to that student.

If your employee can't find the login email after checking **inbox** and **spam**, or accidentally deleted it, no worries! The account is already active. They can simply visit the **Login page**, click **Reset Password**, and enter their registered email to get a reset link right away. Please double-check the email address is correct. If it's wrong, just delete it and create a new account with the right one, as we can't change existing emails for security reasons. Thanks for taking a moment to verify the details.

You can open the **Employer Panel** anytime to see your **employee list** and instantly view how many courses each person has. Hover over the course count to preview the full list, and click **View** in the Action column to check an employee's exact

progress or **download** their certificate if they have completed the course. When managing many employees, use the top filters to quickly find what you need and stay organized.
